Product going in the right direction

"I really enjoy the intuitive design, and the amount of resources provided to help users gain all they can from the software."

Jason A., Compensation Analyst, Enterprise Company, Verified G2 Review

"What I really like about Payfactors is having the ability to centralize all of our compensation structures, employees, and jobs into one location and quickly assess and evaluate our compensation program to make strategic decisions founded by strong market data and credible insights."

Fantasy S., Director of HR, Mid-Market Company, Verified G2 Review

Ease of doing business with

"We just finished implementing Payfactors, and so far the experience has been great. The data sources are robust, and the platform is easy to navigate. Excellent customer service."

Mid-Market Company, Verified G2 Review

"Payfactors provides an easy-to-use platform with reliable data...I am a daily user and very rarely encounter a role I can't find suitable data for."

Lauren N., Senior Compensation Analyst, Enterprise Company, Verified G2 review

"Payfactors is easy to use for beginners or advanced users. The guides are super helpful and the customer support is easy to contact. They are also very receptive to suggestions for improvement."

Eternity G., Senior Compensation Analyst, Enterprise Company, Verified G2 Review

"Payfactors recently released a certification program for their software. The different tiers of certification provide an option suitable for workers at every level within the organization that will utilize the software."

Mallory A., Manager of HR Systems, Mid-Market Company, Verified G2 Review

Key competitor

"This program saves HR teams time researching pay and removes the worries of marketing current or expected jobs properly and fairly."

Mid-Market Company, Verified G2 Review

"We implemented Payfactors to try to better align our pay with the 40+ markets within which we have staff. We are better prepared to have conversations that help us recruit and retain staff by knowing where our pay is compared to the current markets."

Casey S., HR Director, Enterprise Company, Verified G2 Review
